**ADDENDUM No. 1**  
Issued January 6, 2016

Under the Governor's Executive Order 2015-03, state agencies, municipal water providers and federal agencies were requested to provide a summary of current and planned actions related to drought by no later than May 15, 2015. Responses were summarized into the Summary of Current and Planned Actions (Summary), which was published online at [drought.nv.gov](http://drought.nv.gov) in August 2015. The executive summary is included in this Nevada Drought Forum Recommendations Report as Appendix B.

Additional responses were received from the following:

- Beatty Water & Sanitation District
- Boy Scouts of America, Las Vegas Area Council
- Carson River Estates HOA
- City of Fernley
- Storey County Public Works
- Town of Tonopah/Tonopah Public Utilities
- Dressler Park Water System (Lyon County Public Works)
- Sun Valley General Improvement District
- Humboldt-Toiyabe National Forest
- Gold Ranch Casino & RV Resort
- Elko County
- Lander County Austin Water and Sewer District 2
- Logan Creek Estates GID
- Lovelock Meadows Water District
- Moapa Valley Water District
- Newmont Mining Corporation
- Nye County, Town of Gabbs
- Round Hill General Improvement District
- Sierra Estates GID
- Tonopah Public Water Utilities Water System
- City of Winnemucca

To review individual responses, please visit [drought.nv.gov](http://drought.nv.gov) and select "Agency Reports of Current Actions" under the "Resources" tab.
